

March 12, 2018

Dear Parents and Students:

Due to a snow day on Thursday, March 8, 2018, the 9th grade orientation will be held on Thursday, March 22, 2018, for all present 8th graders and their parents at 7:00 PM in the Media Center. At that time, we will emphasize the importance of the four years of high school beginning with the very first day. An overview of the curriculum will be presented and the importance of a four year plan will be emphasized.

Teachers, guidance counselors and administrators will fully explain what high school is all about and stress the need for students to be involved in every aspect of their program during the next four years.

After the presentation, we will be available to answer your questions and address your concerns.

We urge you to mark your calendars and make every effort to attend this very important informational meeting. Entering high school is a major step for every child. These four years of high school will have a major impact on the future of all our students.

I look forward to seeing you on Thursday, March 22nd at 7:00 PM.

Sincerely,
